President's Message

KFRW celebrated our 2-year Anniversary on July 26, and have embarked on our 3rd year! Keep up the effort!

Wow, what a great turnout to hear Eric Eggers at our **meeting on Monday, July 27**. Eric shared some of the results and trends he discovered and reported in his book, ***Fraud: How the Left Plans to Steal the Next Election***. We all must be alert during the upcoming 2020 elections! Consider volunteering to serve as a Poll Watcher.

I finished reading, ***Setting the Record Straight: American History in Black & White***, by David Barton, a primer on African American political history. Jaw dropping to learn of facts I never heard before regarding the long history of how blacks gained their civil rights at the direction of the Republicans and how the Democrats blocked every piece of legislation, since 1863. This truth speaks volumes and needs telling! As shown on page 4, the Ratification of the 19th Amendment Timeline, this amendment passed because Republicans were in the majority.

Videos shared by members on Covid-19, watch before they take them down! Eydie sent this one her doctor shared with her. [Debbie Georgatos, host of America, Can We Talk? interview with Dr. Richard Bartlett](#), on July 3, sharing results of using a steroid called budesonide, inhaled through a nebulizer, on his patients (31:11). Beth Young shared this one: [COVID-19 Insurgency](#) (9:34). And, Judi this of [Lisa Koche, MD, Internal Medical Specialist](#), in Tampa speaking out as many medical doctors are doing due to Big Tech silencing them (12:13).

A brief overview of how President Trump has saved \$\$ in his first term >> [watch this!](#) (1:52) And this *awesome* video tribute **honoring our President, TRUMP ~ MY WAY** (3:53).

Mark your calendars now, **we meet this month on the 4th Monday, August 24th**, at American Legion Post 49. Our speaker will discuss women getting involved in the political arena and empower us to do so!

Ratification of the 19th Amendment

Amendment XIX – *The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any state on account of sex.* Suffragists began their organized fight for women’s right to vote in 1848. For 72 years, they marched, picketed and lobbied for the right to the ballot. Congress, with Republican majorities in both the House and Senate, proposed the 19th Amendment on June 4, 1919. The Florida Legislature symbolically ratified the 19th amendment to the U.S. Constitution, granting women the right to vote, on May 13, 1969. Although Florida was not one of the states that moved to ratify the 19th amendment back in 1919/1920, the state did pass a law granting all residents suffrage in 1921. Senate Concurrent Resolution No.1172 was passed easily by the State House and Senate and was signed by Governor Claude Kirk on May 22nd.
