President's Message

This is the most important election in our lifetime! September is a very crucial month for campaigning for **President Donald Trump and VP Mike Pence** and on behalf of all local Republican candidates, as absentee ballots will be mailed the last week of September.

Campaign – The main purpose of our club is to elect conservative Republican candidates. Our local candidates are very grateful of your support as we head into the final stretch. Let them know if you are willing to make calls on their behalf, hold up signs during Early Voting (last 2 weeks of Oct.), or assist in other ways.

If you would like to volunteer at the Campaign Office or serve as a Poll Watcher on Nov. 3rd, please notify Joy Frisby or Colin Barton. Deadline for PW paperwork to SOE is October 20.

Events and Fundraising – Trump Flag Waves around the Courthouse Circle on Fridays, 4:45-5:45 pm. Bring your Trump flags and wear your Trump or KFRW shirts! All are invited to join!

Nominating – Crystal Putnam was appointed chair of the Nominating Committee and Debbie Snapp and Gretchen Wallace are committee members. KFRW officers will be elected or re-elected at the November meeting for a term of two years, beginning January 1, 2021. Refer to the [KFRW Bylaws](#) for officer duties and requirements (see page 2) and if interested, please complete a [Candidate Application](#) and return to Crystal no later than Monday, Sept. 28. Contact Crystal with any questions at 719-661-1918 or farmgal153@msn.com.

Media – Will you write a letter to the editor at the Monticello News/Jefferson Journal? Will you share what our candidates are doing on your social media? What our club is doing? And if you take photos at events, *please forward via text or e-mail to Lynn S.*

The expectation is all members will help at club events, as available, when called upon by the committees.

"How can the Democratic Party ask to lead our country when it spends so much time tearing down our county?" -- President Donald J. Trump

WHAT NO CASH ACTUALLY MEANS ~ by Dave Ramsey

A cashless society means no cash. Zero. It doesn't mean mostly cashless and you can still use a 'wee bit of cash here and there'. Cashless means fully digital, fully traceable, fully controlled. I think those who support a cashless society aren't fully aware of what they are asking for.

A cashless society means:

- * If you are struggling with your mortgage on a particular month, you can't do an odd job to get you through.
- * Your child can't go and help the local farmer to earn a bit of summer cash.
- * No more cash slipped into the hands of a child as a good luck charm or from their grandparent when going on holidays.
- * No more money in birthday cards.
- * No more piggy banks for your child to collect pocket money and to learn about the value of earning.
- * No more cash for a rainy-day fund or for that something special you have been putting \$20 a week away for.
- * No more little jobs on the side because your wages barely cover the bills or put food on the table.
- * No more charity collections.
- * No more selling bits and pieces from your home that you no longer want/need for a bit of cash in return.
- * No more cash gifts from relatives or loved ones.

What a cashless society does guarantee:

- * Banks have full control of every single penny you own.
- * Every transaction you make is recorded.
- * All your movements & actions are traceable.
- * Access to your money can be blocked at the click of a button when/if banks need 'clarification' from you which will take about 3 weeks, a thousand questions answered & five thousand passwords.
- * You will have no choice but to declare and be taxed on every dollar in your possession.
- * The government WILL decide what you can and cannot purchase.
- * If your transactions are deemed in any way questionable, by those who create the questions, your money will be frozen, 'for your own good'.

Forget about cash being dirty. Stop being so easily led. Cash has been around for a very, very, very long time and it gives you control over how you trade with the world. It gives you independence. I heard a story where a man supposedly contracted Covid because of a \$20 bill he had handled. There is the same chance of Covid being on a card as being on cash. If you cannot see how utterly ridiculous this assumption is then there is little hope.

If you are a customer, pay with cash. If you are a shop owner, remove those ridiculous signs that ask people to pay by card. Cash is a legal tender; it is our right to pay with cash. Banks are making it increasingly difficult to lodge cash & that has nothing to do with a virus, nor has this 'dirty money' trend.

Please open your eyes. Please stop believing everything you are being told. Almost every single topic in today's world is tainted with corruption and hidden agendas. Please stop telling me and others like me that we are what's wrong with the world when you hail the most corrupt members of society as your heroes. Politics and greed are what is wrong with the world; not those who are trying to alert you to the reality in which you are blindly floating along whilst being immobilized by irrational fear. Fear created to keep you doing and believing in exactly what you are complacently doing.

Pay with cash and please say no to a cashless society while you still have the choice. ■
