March 2021

President's Message

February 17th was a sad day hearing that Rush Limbaugh had lost his battle with lung cancer. "His steady presence was a source of assurance; a familiar voice giving wise insight, year upon year. He will be sorely missed," stated well by Catherine Engelbrecht, Founder, [True the Vote](#). (*Sign up to get her emails!*)

[Rush Limbaugh addresses CPAC* in 2009](#) as the keynote speaker, shortly after Obama's inauguration. Rush shares insights that are uncannily timely today in 2021. (1:25:14)

April is National Child Abuse Prevention Month. At our March meeting, **Stacy Pendarvis**, VP of Programs, and **Beth Dudjak**, Florida Outreach Manager, from Jacksonville, with the [Monique Burr Foundation for Children](#) will speak about what their organization is doing to educate and empower children with safety rules and strategies to prevent, recognize, and respond appropriately to bullying, cyberbullying, the four types of child abuse (physical, emotional, sexual, neglect), exploitation, trafficking and digital dangers. *Please plan to attend and invite anyone who teaches or works with children. This is an important topic!*

Tired of being tracked online? Let [DuckDuckGo](#) help by adding to your browser. They don't store your personal info, don't follow you around with ads, and don't track you. Ever. I've been using [DuckDuckGo](#) for over five years, heard about it from Rush, highly recommend! Besides tracking, the level of media censorship is off the chart. If you are *still* using Google search, you are missing news and information critical to you in making informed decisions.

In cleaning out my email inbox, I saw this video clip (6:51) from **Beth Young** in October of Michael Matt, with [Remnant TV](#), [The Real Reason They Want You To Hate Donald Trump](#).

Wow, sums up why they stole the election!

Mark your calendars now, **we meet March 22, the 4th Monday this month**, not the last, at the American Legion Post 49.

Membership Update

We appreciate all members, both Primary and Associate, for your support and investing your time and energy in our organization to make a difference here in Jefferson County, and beyond. *We must continue to spread the conservative message to those we have contact and relationships with.*

Our 2021 membership renewals and recent new members bring our membership total to 64, 47 Primary and 17 Associate.

KFRW 3rd Quarter Membership Social:

Plan now to join other KFRW members and the JC Republican Party Saturday, March 20, 4-6 pm, at Mafia Pizza courtyard for food and fellowship. This is a perfect opportunity to invite others, bring a friend with you, and get to know us. If you plan to attend, please let us know, *thank you!*

Membership Challenge for 2021: We can double if each member invited just ONE new member into the club this year. *Are you willing to meet this challenge in 2021?*

***“Each One Bring One
and Watch Us Grow In 2021”***

When sharing about our club with friends (potential members), invite them to come to our next meeting with you, to learn about KFRW and join us. We do this at 6:30 pm. ■

***GROWTH = MEMBERS = STRENGTH =
VOTES = REPUBLICAN MAJORITIES***

Merchandise for S~A~L~E

We will be selecting new merchandise for the club to sell this year, prior to the June Watermelon Festival, so if you have some suggestions, ***please let us know.*** We still have [tile bracelets](#), four styles, which can be seen on the website. KFRW Committee Updates

All Committee Chairs: *Please e-mail monthly updates to Lynn by Sunday, prior to monthly meeting, so updates can be shared with all club members via email, newsletter, etc. Thank you!*

Campaign – Bea Thomas, whose worked with the Republican Party for 30 years, represented *Black Voices for Trump* in our area ahead of the General Election, and speaker at our November meeting, received one of the *2021 Republican Party Rising Star Awards* on Monday, Feb. 22, in recognition of her hard work and dedication to the Conservative cause. The [2021 Trailblazer Awards](#) went to Ben Carson and others, and you can watch the virtual ceremony [here](#), but unfortunately Bea is not in this recording.

And keep praying for the TRUTH to be revealed regarding the November 3rd Election.

Legislative – 2021 Florida Legislative session begins Tuesday, March 2 and ends April 30. Contact Joy Frisby (850-590-5359) with legislative issues you are interested in so as to bring to KFRW’s attention. Take action—get results!

Media – If you take photos at events, *please forward via text or e-mail to Lynn S. ASAP.* ☺

School Board – Eydie Tricquet, speaker at our Feb. meeting, addressed all of our questions regarding the current School Board members and their roles. Several club members showed interest in running for SB in 2022. The three SB member seats up in 2022 are: Saunders (District 2), Washington (District 3), and Boland (District 5). The 5 current members collectively are failing our JC students sorely and have been for years! ***We must find electable candidates to replace all of them!!*** If you might be interested or are considering a run, please attend the SB monthly, 2nd Monday, meetings now to get involved. Speak to Eydie Tricquet, Joy Frisby, or Karen Purser for more info.

The expectation is all members will help at club events, as available, when called upon by the committees.

Must see videos and articles to read suggested by KFRW members in case you missed them.
Please share with others in your circle of friends and relatives, so they too are informed!

- ★ **Brainwashed America – Part 1:** Brannon Howse, producer, just released his latest documentary, free to the public so everyone could see it. This is a must see for every American. *Please share and check back for future installments >> [BrainwashedTheMovie.com](https://www.brainwashedthemovie.com) (2:04:47)*
- ★ This article, [Critical Race Theory Infiltrates Government, Classrooms](#), explains what is going on today. A video (59:28) of The Heritage Foundation’s live event, *The New Intolerance: Critical Race Theory and Its Grip on America*, from Jan. 11, 2021, lays out what critical race theory is, how pervasive it has become, and what needs to be done to stop it. A second article, [Website Tracks Which Colleges Embrace Training in Critical Race Theory](#), highlights a new website, [Critical Race Training in Education](#) that allows users to quickly access information about more than 230 schools and the ways in which those schools are instituting critical race theory to influence hundreds of college campuses and universities across America. Yikes, **Florida State University** is one! Their database does not yet cover primary or secondary schools, although a growing issue and one that’s significantly more difficult to track.
- ★ **Election Fraud Exposed: [Absolute Proof](#)** is a documentary by Mike Lindell, Mary Fanning & Brannon Howse released Feb. 5, 2021, full-length version is 2 hours. For those with less time, watch the **Trailer** (28:29) highlighting election fraud data. Also, a recent **interview with Mike and Pastor Ken & Lesa Henderson from a Christian perspective** (44:49). And don’t skip this short **video of “pure data”** (16:29), especially the list at the end. All four videos can be found at [MichaelJLindell.com](https://www.MichaelJLindell.com) or [LindellTV.com](https://www.LindellTV.com) with more to come as facts revealed.
- ★ **Governor Ron DeSantis** reveals his [9-point plan for voter integrity](#) in this video (23:13) of the press conference on Feb. 19 to sure up Florida’s voter and election laws in the upcoming legislative session. [Defend Florida](#), a state-wide, citizen-driven movement designed to protect Florida and Floridians from Federal government overreach and improve [election integrity](#) came out in support of Gov. DeSantis’ plan. [Check out their site](#) and see how you can [get involved](#).
- ★ Interview with **Michael Johns**, co-founder of The Tea Party Movement and one of the most politically connected patriots in the United States, on **The Right Side with Doug Billings** is very pertinent to how [conservatives](#) in the Republican Party can embrace what we need to do in 2021. [In this video interview](#) he gives his unique analysis on these points and more (46:57):
 1. The absentee conservative leadership of the Republican National Committee.
 2. The fraud of a stolen American election and why the Supreme Court isn't likely to help.
 3. The chaos at the Capital was planned by the radical left months ahead of the event.
 4. The lack of cohesive Conservative leadership in America.
- ★ Excellent article on how the left “stole” the election, which helped bring to light the Time’s article: [TIME Claims a Secret Cabal Manipulated the 2020 Election to Stop Trump, and People Have Questions](#) | RedState by Bonchie | Feb. 5, 2021; the Time’s article: [The Secret History of the Shadow Campaign That Saved the 2020 Election](#) | Molly Ball | Feb. 4, 2021
- ★ [Conservative Groups to Start New Election Transparency Initiative](#) | Feb. 23, 2021
- ★ [30 BIG Hoaxes & Lies Perpetrated on Americans](#) by Investigative Journalist Corey Lynn. Confused by what’s real and what’s a hoax or a flat-out lie? The magnitude of hoaxes and lies being perpetrated by Deep State is so expansive, they had to cover their tracks by having Google/YouTube conceal search results for “hoax,” “hoax crisis actors,” and “false flags.” Chew on that for a moment, then expand your consciousness with just how many hoaxes and lies have been perpetrated on the American people. *And plenty more to dig into on [Corey’s Digs](#). ☺*
