April 2021

President's Message

At our March meeting, **Stacy Pendarvis**, VP of Programs, and **Beth Dudjak**, FL Outreach Manager, shared what **Monique Burr Foundation for Children** does to educate and empower children with safety rules and strategies to prevent, recognize, and respond appropriately to bullying, cyberbullying, digital dangers, exploitation, trafficking, and the four types of child abuse (physical, emotional, sexual, neglect). *Please share their information with others.* Remember, **April is National Child Abuse Prevention Month** and Florida is 3rd in the country for child trafficking.

Stacy (L) & Beth (R)

"When you see that in order to produce, you need to obtain permission from men who produce nothing - When you see that money is flowing to those who deal, not in goods, but in favors - When you see that men get richer by graft and by pull than by work, and your laws don't protect you against them, but protect them against you -

"When you see corruption being rewarded and honesty becoming a self-sacrifice - You may know that your society is doomed."

Ayn Rand,
Atlas Shrugged, 1957

Are you awake and paying attention to what the radical left is doing in our country and around the world? If so, they and the truth is being exposed. Are you concerned about the control that government, big corporations, the media, Hollywood, are attempting to inflict on us, to control the narrative, what we see and hear, and ultimately our minds?

At our April 26th meeting, we will have a member panel to share and discuss these serious concerns as it pertains to: Covid-19, Election Fraud, Fake News (disinformation), and intimidate and silence those who speak out (censorship). We ask you to have watched and/or read as many of the videos and articles on page 4 of this newsletter, and to submit any questions you have no later than April 18th.

We the People have to come together, stand together, remain diligent and strong, and demand our country back, in order to preserve our civil and religious liberties – it's up to us, *we the Patriots*, to Save America!

Thank you to **Joy Frisby** for coordinating the joint effort with the JC REC and others. Everyone seemed to have a good time, getting to know other members better, and we supported our local restaurants too!

Our 2021 membership renewals and recent new members bring our membership total to 65, 48 Primary and 17 Associate.

Please continue to spread the conservative message to those you are in contact with!!

~The Truth Continues to be Exposed ~

Please watch the videos or read the material recommended **★below★** in preparation for and prior to the April meeting. Note: Several in the first two bullets were in the [March Newsletter](#).

- ★ **Brainwashed America – Part 1:** by Brannon Howse >> BrainwashedTheMovie.com (2:04:47)
- ★ **Election Fraud Exposed:** 1) **Absolute Proof**, first documentary by Mike Lindell, Mary Fanning & Brannon Howse, (full-length 2 hrs); and 2) **video of “pure data”** (16:29), see list at the end. **Brand new, Scientific Proof** with Dr. Frank (55:40). All videos can be found at LindellTV.com. *Mike Lindell just completed another documentary that will be released soon, so watch for it too!*
- ★ The **Out of Shadows documentary** (1:17:58) lifts the mask on how the mainstream media and Hollywood manipulate and control the masses by spreading propaganda throughout their content, exposing Satanism in High Places. “Our goal is to wake up the general public by shedding light on how we all have been lied to and brainwashed by a hidden enemy with a sinister agenda.” [Out of Shadows](#), released April 2020, directed by Mike Smith, starring Mike Smith, Kevin M. Shipp, and Brad Martin is a very informative, eye-opening documentary [watch here!](#)
- ★ The new movie, **Sound of Freedom**, directed by Alejandro Monteverde, starring Jim Caviezel, Mira Sorvino, Bill Camp, and José Zúñiga, should be released soon. [Watch the 2:21 minute trailer](#). It's the story of Tim Ballard (Jim Caviezel), a former US government agent, who quits his job in order to devote his life to rescuing children from global sex traffickers.

Here are two additional Covid-19 “vaccine” resources, not previously sent to all members, yet so important that you be aware of the information for yourselves as well as share with others:

- ★ **What Do We Know About the Vaccine?** [Download this 19-page pamphlet, read, and share.](#)
- ★ **A Coming COVID CATASTROPHE** – World renown vaccine specialist, **Geert Vanden Bossche**, gave a [groundbreaking interview](#) (1:04:40) March 11, 2021, risking his reputation and his career by speaking out against the administration of Covid-19 vaccines. In what may be one of the most important stories ever covered by *The Highwire*, the vaccine developer shared his extreme concerns about these vaccines in particular and why we may be on track to creating a global immunity catastrophe.

Besides Hydroxychloroquine (HCQ), here are two more, inexpensive drugs that have been around for 40 years and proven as viable treatments for Covid-19 that you may not be aware of.

- ★ In January 2021, due to the diligent effort of a group of physicians from the [Front Line COVID-19 Critical Care \(FLCCC\) Alliance](#), led by **Dr. Pierre Kory** and Dr. Paul Marik, the NIH changed their recommendation allowing the use of a safe, inexpensive drug **Ivermectin** for treatment & prophylactic use of Covid-19. [Watch](#) FLCCC President, **Dr. Pierre Kory's** compelling plea while testifying to the Senate Committee on Homeland Security and Governmental Affairs in Dec. 2020 (28:52), very insightful. [Their website, a wealth of information on Ivermectin & Covid-19.](#)
- ★ **Dr. Richard Bartlett** shares in this video “[Covid-19 Strategy](#)” (9:04) what he used with his patients to treat Covid-19, an asthma medication, **Budesonide**, which reduces inflammation in respiratory diseases. More info can be found here: www.budesonideworks.com.
