## President's Message

Who controls your life? You or the Government? For the past 18 months, we've been shown more and more the answer to these questions, many becoming aware of this for the first time, at least consciously. What are **you** doing to retain your God given liberties? *We the People* can no longer remain complacent, silent, give in, go along with or agree to what we are being "told" to believe, asked or expected to do. One of the things we **can** do is get involved and get informed to know our options. We must start today and stop making excuses!

One option, to rein in the gigantic, corrupt, and unaccountable federal government, is **Convention of States (COS)**, **Article V** of our Constitution. Here's a five-minute explanation of [how 34 states \(2/3\) can Save America](#) from PragerU. The speaker at our next meeting, Monday, September 27, is **David Gantt, COS District Captain for FL House District 8 and 9** and Member Legislative Liaison Team plus several of his team. *Put on your calendar now!* Come and learn about this option and how to get involved. For a preview of everything Article V, [download the 2020 Pocket Guide](#).

Are you appalled at what is happening to the remaining individuals still in jail as a result of being in D.C. on January 6<sup>th</sup>, regardless of whether they entered the U.S. capitol building? This personal story of one, [Political Prisoner: The Couy Griffin Story](#) (50:50), was released August. 25. *Please watch, pray and donate if you can!* [Defending the Republic](#) is stepping up to financially and legally assist as many of these domestic, political prisoners as possible. Many have never been charged!

For those who attended our 2019 Inaugural American Valor Dinner, you will recall our speaker, **Jason Redman**. Thanks to **Gretchen Wallace's** keen eye, she saw where he was in the news on August 27, ['Pineapple Express' — Special Forces Vets conduct secret missions to rescue allies in Afghanistan... - CITIZEN FREE PRESS](#). Be sure to click [Continue reading for the complete story!](#)

An email was sent August 24 with sponsorship details for the [2<sup>nd</sup> Biennial American Valor Dinner](#), Friday, November 12. Besides supporting our local veterans this is also a fundraising event for

KFRW. **All members can support this event:** help with acquiring sponsors or be a sponsor yourself, obtaining silent auction items, and/or attending!

We had a great turnout at our **August 23** meeting to hear **Nick Adams** speak and we hope everyone left motivated to defend our Republic. Be intentional!

## ~ Timely & Informative Updates / Information ~

**We The People Action Items** – Things we can do now to make a difference and be involved!

- ★ **The People — United By Common Goals:** Reminding those who hold elected office that we expect delivery of promises and they keep their oath to uphold the Law and protect the Constitution. Let them know we are watching and they represent THE PEOPLE. They work for us!
- ★ **Get Involved:** Help get the word out by sharing and leading like-minded people to good info!
- ★ **Take Action:** When you get angry about an issue, say “*What can I do?*” and then do something!

**Election Fraud & Integrity Update:** [*Did you see the Election Integrity Committee update, page 2?*]

If you missed seeing some or all of **Mike Lindell’s CYBER SYMPOSIUM** held **August 10, 11 & 12**, you can view clips at [FrankSpeech.com](http://FrankSpeech.com) to see many examples of election fraud from Nov. 3. Here are three “recommended” clips to watch and then share with others who are still skeptical:

### **Covid Update:**

★ The expected FDA "[approval letter](#)" for the Pfizer COVID-19 vaccine was issued on Aug 23, and [the Biden Administration immediately called on companies](#) to require vaccination. “Full approval” removes the legal impediment that vaccines only available under an Emergency Use Authorization (EUA) must be voluntary and cannot be mandated. Read [AAPS Statement on FDA’s “Approval Decision” on Pfizer-BioNTech COVID-19 Vaccine](#). An **updated version** (8/28/21) of the popular booklet by the Association of American Physicians and Surgeons (AAPS), [A Guide to Home-Based COVID Treatment](#), is now available and can be downloaded free from <http://covidpatientguide.com>. [The July Newsletter referenced the prior version, released January, when no “vaccines” were available.]

★ **COVID Early Treatment & Vaccine Safety Update** (8/24/21) – **Peter McCullough, MD, MPH** gave a good update with protocols (download/save) for you and pass on to others. The 1-hour video can be seen [here](#) and the presentation slides can also be [downloaded here](#). *Great Q&A at the end!*

★ **The Story of Ivermectin** (24:34) *Excellent!* The [Front Line Covid-19 Critical Care Alliance Protocols](#) for Prevention & Early Outpatient Treatment are mentioned at the end, [download and save](#).

★ **David Clements, Law Professor at NMSU**, lost his teaching job for standing up on Aug. 18, first day of class: [Law Professor REFUSES to MASK UP or get the JAB](#) (14:45). *Could it be because he was actively pursuing forensic audits?* At Rumble: [The Professor’s Record | David K. ★ [Gab](#) has created a **No Vax Mandate Job Board** group. [You can view and join the group here](#). “This job board is for sharing job openings that do not require employees to inject themselves with an experimental substance or violate their bodily autonomy and religious beliefs in order to retain employment.
