November 2022

President's Message

This year, more than any year I can recall, is the most important election we have seen. The enemies of Freedom are working hard to claim a majority so they can take away our God given freedoms. Don't let that happen. Turn out is key this election. Make a point to contact those you know, remind them to vote or offer to take them to vote.

We are looking forward to celebrating Republican wins up and down the ballot at the **KFRW Social & Victory Party** on Saturday, **November 12**, at **Lynn McGrady's** home, 5370 Lake Rd, beginning at 3 pm. Members should bring a dish to share for a potluck dinner. KFRW will provide the paper products, water and tea. This is the perfect time to get to know other members better, invite others to celebrate the wins of our republican candidates, and introduce them to KFRW!

At our next meeting, Monday, November 28, Michelle Milligan will be our speaker. She will share her experience running as a first-time candidate for Supervisor of Elections; what went well, what she'd do differently, and where could she have used more help. Learn from her experience.

The Nominating Committee, **Karen Knox, Debbie Snapp** and **Gretchen Wallace**, received new [candidate applications](#) from **Annaliese Mincy** for *V.P. of Programs & Public Relations*, **Lynn Wojciechowski** for *V.P. Membership*, **Janis Morrow** for *Secretary*, and applications for re-election from **Lynn Stafford** for *President* and **Judi Cleckner** for *Treasurer*. All KFRW primary members will vote to elect new KFRW officers during our November meeting, for 2-year terms to begin at the 2023 January meeting. Nominations will be taken from the floor prior to voting, per our bylaws.

Plan now to attend the **KFRW Christmas Party** on **Tuesday, December 13**, at the Boyce's home, 520 E. Dogwood, at 6 pm. Holiday attire. Bring one of your favorite recipes to share in a potluck dinner together. We encourage each of you to invite your spouse or a friend to join in our last event together of 2022.

With two months left for the July - Dec. 2022 volunteer hours and calls period, please continue to track the hours you spend on anything political for KFRW, JC REC, campaigns, poll watching, poll worker, etc. on a [Volunteer Hour Log form](#), which can be found on the [KFRW website](#).

The Truth About Health Freedom & Big Pharma

COVID
CANCER
CONSPIRACY
COVERUPS
COINCIDENCE
CENSORSHIP

- *What if* almost everything you’ve been told your entire life was a lie?
- *What if* the media was colluding with the government to suppress free speech?
- *What if* the same propaganda techniques used in Nazi Germany were still being used today in the USA?
- *What if* the entire COVID pandemic was about control and not a virus?

Would you want to know the truth? **Of course, you would!** It’s time to expose the propaganda and lies and reveal the truth! In total, over 60 doctors, scientists, health experts, and freedom fighters are featured in this eye-opening docu-series which will change lives, influence friends and family, and quite possibly “wake up” enough people to create a “tipping point” for truth and liberty.

It’s **time** to unite to fight back the forces of evil and censorship when it comes to freedom of choice in medical treatments, as well as saying “no” to forced vaccines. If we don’t stand up for health freedom and liberty now, then we may lose it forever.

KFRW owns several complete DVD recordings of all eight episodes of **PROPAGANDA EXPOSED!** that aired for eight days in May 2022. All club members can check out a set, for up to one month, so you can watch with your family and friends. *Contact Lynn S. to reserve a set today.*
