President's Message

We kicked off our **"Meet the Candidates"** series last month, hearing from these candidates: **Ana McGlamory**, for Clerk of Court, **Shanna Boutwell**, for Tax Collector, and **Eydie Tricquet**, incumbent for Superintendent of Schools. Each candidate had 15-minutes to share about themselves and take questions from members. This format proved very informative for all of us. At our **May meeting—reminder it's the 3rd Monday, May 20, since Memorial Day is the 4th Monday**—we will hear from these three candidates: **Kendra Burrus**, School Board Dist. 4, **Jessica Grambling**, County Commission Dist. 1, and **Trey Hightower**, Clerk of Court. *Please invite others to hear directly from their local candidates!!*

I will continue to ask (soon beg) each of you to consider being a **Poll Worker** for the primary election (Aug. 20) and general election (Nov. 5). This is a great way to be involved in *our* elections and be a part of securing we have fair and honest elections at the precinct level. Contact **Michelle Milligan** at the SOE's office, **now**, so you have the best chance of serving. *Please let me know if you sign up!!*

KFRW plans to coordinate **Poll Watchers** for the Republican Party during early voting and during the primary and general elections. Many of you participated when we covered all 13 days of Early Voting in the 2022 August primary by taking several hour slots. Please let **Janis Morrow** know if you again will serve in this way or if you didn't then but will for 2024. *We need all to help out.*

We have now been gathering for a year (began April 13, 2023) the **Ladies Lunch Bunch**, meets for lunch on 1st & 3rd Wednesdays, and **Ladies Night Out**, for dinner on 2nd & 4th Thursdays. We look forward to meeting each week and getting to know one another better. *Ladies, join us as you can.*

At the **FFRW Spring Conference**, April 20-21, NFRW has challenged the FFRW and all local clubs to increase their membership by 25% in 2024. For KFRW, this means gaining 13 new primary members in 2024. We have gained four new primary members so far, that leaves us nine to go! Ask and follow up with those you've invited previously to join the KFRW. Now is the time!

We also received the prestigious **FFRW Gold Award** for our club achievements for 2022-2023, see page 3.

See you all at the May 20th meeting, if not sooner!

Keep the faith! Stand up for truth! And never give up!

~ Why Are You Voting For Donald Trump? ~

If you're asked, "Why are you voting for Donald Trump?" Your response could be....

I'm not just voting for him, I'm voting against socialism, I'm voting for the 2nd Amendment.

I'm voting for the next ultimately qualified supreme court justice, the electoral college, and especially to keep the Constitutional Republic we live in intact.

I'm voting for the police and law and order. I'm voting for America's military and the veterans who have fought and died for this country for centuries. And, if they try to interrupt you....

I'm voting for the American flag flying in front of our home. The right to vote our opinions without being censored and for a justice system that is not compromised.

I'm voting for secure borders so I don't have to worry about our children (grandchildren, especially girls) growing up with disgusting men leering at them and God forbid hurting them.

I'm voting for the right to praise God without reprisal and voting for every unborn baby Democrats see fit to murder before they take their first breath.

I'm voting for our children (grandchildren) to grow up in a country that stands for liberty and still believes in the American dream.

I'm voting for good against evil.

I'm not just voting for Donald Trump...I'm voting for the future of all of us!!!

And then you might ask them, "Isn't this why you are voting for your candidate, too?"

Assuming it is Donald Trump!!

Note: If you're married, you could say "We're voting {fill in the blank}."

Fingerprints of Fraud - The Movie by Jeff O'Donnell

I have been following **Jeff O'Donnell**, who lives in central Florida, on Telegram (The Lone Raccoon) for several years now, soon after he on his own became involved, in looking into what happened in the 2020 election when he too saw things regarding the outcome that he questioned and the tireless journey he's been on since. He's put together the following chapters as part of a movie, documenting his three years digging into the election fraud. He released the chapters over the past month and plans to compile into one movie. All together it's about 2.5 hours, but please watch them as you can. I think you too will learn a lot and become more informed with the various concerns surrounding our elections.

Click on the link to each chapter for the video recording at Rumble.com.

[Chapter 2 - The Machines](#) (20:06)

[Chapter 5 - Digital Danger](#) (24:03)
